

# BREAKTHROUGH WEEKEND II

Discover Your Best Self

The BreakThrough II Weekend provides men with an opportunity to do the following:

- Continue their personal work;
- Reconnect with their initial weekend;
- Celebrate and honor the changes they have made since that weekend;
- Discover new BreakThroughs; and
- Manifest and celebrate your “Best Self.”

While psychodrama (“heartwork”) will still be an important part of the weekend, the balance of the weekend will offer completely different processes and experiences from the BreakThrough Weekend.

Come join this powerful weekend! All alumni are welcome. We hope this will be of particular interest to men in Victories groups that would like to have a transformative weekend with fellow members of their groups. Attending a weekend program like this together is a great way to re-invigorate your group. Individuals not in a group are, of course, also encouraged to attend.

We recommend early registration to reserve your space on the weekend.
