

INTRO TO WISDOM YEARS

An Introduction to the Weekend

You are invited to a presentation on the Wisdom Years Weekend

Victories is a Chicago-based nonprofit organization dedicated to helping men of all backgrounds build stronger relationships with others, greater acceptance of themselves, and increased satisfaction in their lives.

For men, reaching the age of 50 can be more than a milestone. It can also signal an important life transition, one that brings both new concerns and new opportunities. The Wisdom Years Weekend helps men address the one and seize the other.

The Wisdom Years Weekend helps men to search their past, shed its self-defeating burdens, emerge into a new sense of anticipation about their future, and commit to a plan of action. Honest relationships and heightened self-awareness are at the heart of the weekend, where men come together in a spirit of respect, safety, confidentiality, and hope.
