

WEEKEND CELEBRATIONS

Help Us Celebrate Recent Participants

You are invited to attend a Weekend Celebration!

Victories is a Chicago-based nonprofit organization dedicated to helping men of all backgrounds build stronger relationships with others, greater acceptance of themselves, and increased satisfaction in their lives.

We offer weekend programs that give men a chance to explore how they can live their best life. After each weekend, we hold a public celebration for the participants, their family and friends, and the entire community.

At these Celebrations, you can learn first-hand from men what their weekend experience was like. If you are interested in doing a weekend, the celebration is the perfect venue for learning more before signing up.

We often hold informational sessions before the celebrations, where you can ask questions of weekend leaders and staff.

Celebrations are open to the public, and all are welcome to attend.
