

GLIMPSE YOUR SHADOW

An Introduction to the Shadow Weekend

Have you ever wondered about The Shadow Weekend? Do you find yourself drawn to attend The Shadow Weekend but aren't sure what it's about?

Join us for an evening to learn about The Shadow Weekend. You will have an opportunity in this 2-hour event to glimpse your shadow, experience Shadow work, and learn about The Shadow Weekend - the next step in your journey of self-discovery and self-acceptance.

Shadow work is simply acknowledging those aspects of ourselves that we'd rather leave hidden or kept out of sight. Looking at what we keep in the Shadows may feel risky, but it holds the greatest reward.

For over 20 years, Victories has offered The Shadow Weekend as an advanced experiential weekend for Breakthrough and Wisdom Years graduates. Participants come to a deeper understanding of their whole self in ways that lead to greater acceptance and more inner peace.

Join us to learn more about how Shadow work can help you rediscover the positive potential buried within you and restore your original wholeness.

Open for all Victories Alumni who have attended BreakThrough, Wisdom Years Weekends or a comparable program.

DATE

September 3, 2019
7:00-9:00pm

LOCATION

Little House of Glencoe
690 Birch Rd, Glencoe, IL

COST
