CEU CREDITS: Individuals with LCSW, LCPC, LMFT, and licensed Psychologists are eligible to receive 6 CEU's for this training. Please indicate your interest in receiving CEU's when registering.

We invite all graduates of the Wisdom Years Weekend who have an interest in staffing the weekend to attend. The training is also encouraged for graduates of all weekends (including BreakThrough) wishing to learn new skills to enhance their own Personal Growth Groups.

This training program will provide instruction in leading small groups, including both goals and techniques, and will combine large group instruction with extensive experiential learning in small groups. Trainees will lead actual small groups, be observed in action, and benefit both from feedback provided by the trainers and from large group discussion.

This training is a prerequisite for all men who wish to staff a Wisdom Years Weekend. It is also an opportunity to bring new skills back to your Personal Growth Groups, have an additional growth experience, or just simply have an opportunity to connect with other men in the Victories community, who share a desire to improve their lives. Repeat registrations are also encouraged to gain more practice.
